The performance results shown over the months before February 2017 are based on a different investment policy than is currently implemented in the fund. As of 31 January 2017 the fund adjusted its investment policy towards a more concentrated approach. From this date, the MSCI World Index (Net Return) is the reference index and no longer the official benchmark.

This chart shows the fund's calendar year performance as the percentage loss or gain per versus its benchmark. It can help you to assess how the fund has been managed in the past and compare it to its benchmark. The value of the investments may fluctuate. Past performance is no guarantee of future results. Performances are net of fees and based on transaction prices.
